VIOLATIONS OF THE FEDERAL
SECURITIES LAWS**

DEMAND FOR JURY TRIAL

1 Plaintiff (“Plaintiff”), individually and on behalf of all others similarly
2 situated, by and through his attorneys, alleges the following upon information and belief,
3 except as to those allegations concerning Plaintiff, which are alleged upon personal
4 knowledge. Plaintiff’s information and belief is based upon, among other things, his
5 counsel’s investigation, which includes without limitation: (a) review and analysis of
6 regulatory filings made by AMMO, Inc. (“AMMO” or the “Company”) with the United
7 States (“U.S.”) Securities and Exchange Commission (“SEC”); (b) review and analysis of
8 press releases and media reports issued by and disseminated by AMMO; and (c) review of
9 other publicly available information concerning AMMO.

10 **NATURE OF THE ACTION AND OVERVIEW**

11 1. This is a class action on behalf of persons and entities that purchased or
12 otherwise acquired AMMO securities between August 19, 2020 and September 24, 2024,
13 inclusive (the “Class Period”). Plaintiff pursues claims against the Defendants under the
14 Securities Exchange Act of 1934 (the “Exchange Act”).

15 2. AMMO designs, produces, and markets ammunition and ammunition
16 component products for public consumers, manufacturers, and law enforcement and military
17 agencies.

18 3. On September 24, 2024, after the market closed, AMMO announced that its
19 Chief Financial Officer had resigned “at the request of the Board.” Further, the Company
20 disclosed that it is conducting an independent investigation into its “internal control over
21 financial reporting for the fiscal years 2020 through 2023.” The Company further disclosed
22 that it had retained a law firm to conduct an independent investigation into whether the
23 Company and its management control persons at the time: “(i) accurately disclosed all
24 executive officers, members of management, and potential related party transactions in fiscal
25 years 2020 through 2023; (ii) properly characterized certain fees paid for investor relations
26 and legal services as reductions of proceeds from capital raises rather than period expenses
27 in fiscal years 2021 and 2022; and (iii) appropriately valued unrestricted stock awards to
28 officers, directors, employees and others in fiscal years 2020 through 2022.”

1 acts charged herein, including the dissemination of materially false and/or misleading
2 information, occurred in substantial part in this Judicial District. In addition, the Company’s
3 principal executive offices are located in this District.

4 10. In connection with the acts, transactions, and conduct alleged herein,
5 Defendants directly and indirectly used the means and instrumentalities of interstate
6 commerce, including the United States mail, interstate telephone communications, and the
7 facilities of a national securities exchange.

8 **PARTIES**

9 11. Plaintiff Arias Larmay, as set forth in the accompanying certification,
10 incorporated by reference herein, purchased AMMO securities during the Class Period, and
11 suffered damages as a result of the federal securities law violations and false and/or
12 misleading statements and/or material omissions alleged herein.

13 12. Defendant AMMO is incorporated under the laws of Delaware with its
14 principal executive offices located in Scottsdale, Arizona. AMMO’s common stock trades
15 on the NASDAQ exchange under the symbol “POWW.”

16 13. Defendant Fred W. Wagenhals (“Wagenhals”) was the Company’s Founder
17 and Chief Executive Officer (“CEO”) from 2016 until July 24, 2023.

18 14. Defendant Jared R. Smith (“Smith”) has been the Company’s Chief Executive
19 Officer (“CEO”) since July 24, 2023.

20 15. Defendant Robert D. Wiley (“Wiley”) was the Company’s Chief Financial
21 Officer (“CFO”) at all relevant times.

22 16. Defendants Wagenhals, Smith, and Wiley (collectively the “Individual
23 Defendants”), because of their positions with the Company, possessed the power and
24 authority to control the contents of the Company’s reports to the SEC, press releases and
25 presentations to securities analysts, money and portfolio managers and institutional
26 investors, i.e., the market. The Individual Defendants were provided with copies of the
27 Company’s reports and press releases alleged herein to be misleading prior to, or shortly
28 after, their issuance and had the ability and opportunity to prevent their issuance or cause

1 them to be corrected. Because of their positions and access to material non-public
 2 information available to them, the Individual Defendants knew that the adverse facts
 3 specified herein had not been disclosed to, and were being concealed from, the public, and
 4 that the positive representations which were being made were then materially false and/or
 5 misleading. The Individual Defendants are liable for the false statements pleaded herein.

Financing Activities

We financed our operations primarily from the issuance of equity instruments. During the year ended March 31, 2020, net cash provided by financing activities was \$4,524,848. This was the net effect of \$2,465,540 generated from the sale of Common Stock, **net of cash payments of \$285,981 in conjunction with the Unit offerings**. We issued \$2,500,000 in Convertible Promissory Notes, **net of \$329,000 of issuance costs**. Additionally, \$9,747,281 was generated from accounts receivable factoring, which was offset by **payments of \$7,741,302**. There was \$819,731 of cash was generated from the issuance of a related party note payable, These increases to our financing activities were offset by **payment of \$1,885,000 on the related party notes payable**, \$466,421 toward our insurance premium note payable and a \$300,000 payment of our Contingent Consideration Payable.

20. The 2020 Annual Report asserted the Company did not have any off-balance sheet arrangements, stating in relevant part:

Off-Balance Sheet Arrangements

As of March 31, 2020, **we did not have any off-balance sheet arrangements** that have or are reasonably likely to have a current or future material effect on our financial condition, net sales, expenses, results of operations, liquidity capital expenditures, or capital resources

1 21. The 2020 Annual Report purported to disclose the extent of the Company’s
2 related party transactions, reporting the following transactions and asserting “[o]ther than
3 the foregoing” “none of the directors or executive officers of the Company,” “has any
4 material interest, direct or indirect, in any transaction that has occurred during the past fiscal
5 year.” The 2020 Annual Report further stated that “[w]ith regard to any future related party
6 transaction” the Company “plan[s] to fully disclose any and all related party transactions.”
7 Specifically, the 2020 Annual Report stated in relevant part:

8 ***Related Party Transactions***

9 From October 2016 through December 2018, our executive offices were
10 located in Scottsdale, Arizona where we leased approximately 5,000 square
11 feet under a month-to-month triple net lease for \$3,800 per month. This space
12 housed our principal executive, administration, and marketing functions. Our
13 Chairman, President, and Chief Executive Officer owned the building in
14 which these offices are currently leased. For the year ended March 31, 2020
15 and 2019, the Company paid \$21,800 and \$53,013, respectively in rent for
16 these offices.

17 During the year ended March 31, 2020, we paid \$184,575 in service fees to an
18 independent contractor, \$6,500 in consulting fees to our Previous Chief
19 Financial Officer, and 60,000 shares in the aggregate to its Advisory
20 Committee members for service for a total value of \$113,000. Additionally, at
21 March 31, 2020, the Company had a receivable of approximately, \$14,700
22 from its previous Chief Financial Officer. During the year ended March 31,
23 2019, we paid approximately \$168,000 in consulting fees.

24 In connection with the acquisition of the casing division of Jagemann
25 Stamping Company, a promissory note was executed. The promissory note,
26 under which \$500,000 was paid on March 25, 2019 using funds raised for the
27 acquisition, had a remaining balance at March 31, 2019 of \$9,900,000. On
28 April 30, 2019, the original due date of the note was subsequently extended to
April 1, 2020. The note bears interest per annum at approximately 4.6%
payable in arrears monthly until October 1, 2019 when the interest rate
increases to 9% per annum payable monthly until principal and accrued
interest are paid in full. In May of 2019, the Company paid \$1,500,000 on the
balance of the note. As of March 31, 2020 and March 31, 2019, we accrued
interest of \$352,157 and \$22,196, respectively, related to the note.

 In October of 2019, it was made apparent that certain equipment that was
agreed to be delivered free and clear by the Seller was not achievable as Seller
was not able to purchase equipment that Seller had leased. Accordingly, the
remaining value of the promissory note was reduced by \$2,596,200. As a result
of the change to the purchase price of the transaction, the Company reduced
Equipment for a net value of \$1,871,306, decreased Other Intangible Assets
by \$766,068, increased Accounts Receivable by \$31,924, and recorded an
increase to Deposits for \$9,250 worth of equipment that the Company agreed
to transfer back to Seller. Consequently, accumulated amortization has
decreased by \$159,530.

1 Additionally, the Company entered into a lease to gain possession of the assets
2 that were originally to be transferred. Subsequent to March 31, 2020, the
3 Company, Enlight and JSC entered into a Settlement Agreement pursuant to
4 which the parties mutually agreed to settle all disputes and mutually release
5 each other from liabilities related to the Amended APA occurring prior to June
6 26, 2020. Pursuant to the Settlement Agreement, the Company shall pay JSC
7 \$1,269,977 and shall provide JSC with: (i) two new promissory notes, a note
8 of \$5,803,800 related to the Seller Note and note of \$2,635,797 for inventory
9 and services, both with a maturity date of August 15, 2021, (ii) general
10 business security agreements granting JSC a security interest in all personal
11 property of the Company. Pursuant to the Notes, the Company is obligated to
12 make monthly payments totaling \$204,295 to JSC. In addition, the Notes have
13 a mandatory prepayment provision that comes into effect if the Company
14 conducts a publicly registered offering. Pursuant to such provision, the
15 Company: (a) upon the closing of an Offering of less than \$10,000,000 would
16 be obligated to pay the lesser of ninety percent (90%) of the Offering proceeds
17 or seventy (70%) of the then aggregate outstanding balance of the Notes; and
18 (b) upon the closing of an Offering of more than \$10,000,000 would be
19 obligated to pay one hundred percent (100%) of the then aggregate outstanding
20 balance of the Notes. The Company was granted an option to repurchase up to
21 1,000,000 of the shares of the Company's common stock issued to JSC under
22 the Amended APA at a price of \$1.50 per share through April 1, 2021 so long
23 as there are no defaults under the Settlement Agreement.

13 Through the Administrative and Management Services Agreement the
14 Company with Jagemann Stamping Company, the Company purchased
15 approximately \$1.9M in Inventory, incurred \$394,128 of rent expenses, and
16 incurred \$153,604 of expenses related to support costs such as engineering and
17 maintenance, among others, for the year ended March 31, 2020.

16 On May 3, 2019, the Company entered into a promissory note of \$375,000
17 with a shareholder of the Company. The original interest rate was the
18 applicable LIBOR Rate. The promissory note has since been amended and the
19 balance at March 31, 2020 was \$278,195. The note's original a maturity date
20 of August 3, 2019 was extended to September 18, 2020. The amended note
21 bears interest at 1.25% per month. The Company made \$315,000 in principal
22 payments in the year ended March 31, 2020. We have accrued interest on the
23 note of \$9,080. Subsequent to March 31, 2020, the related party note and
24 accrued interest was paid in full.

21 In December of 2019, the Company entered into a Promissory Note of \$90,000
22 with Fred Wagenhals, the Company's Chief Executive Officer and Chairman
23 of the Board of Directors. The Note originally matured on June 12, 2020 and
24 had an interest rate at the applicable LIBOR Rate. The promissory note has
25 since been amended and the balance at March 31, 2020 was \$156,536 and the
26 amended maturity date is September 18, 2020. The Company made \$70,000
27 in principal payments in the year ended March 31, 2020. The amended note
28 bears interest at 1.25% per month. We have accrued interest on the note of
\$1,287. Subsequent to March 31, 2020, the related party note and accrued
interest was paid in full.

27 Other than the foregoing, none of the directors or executive officers of the
28 Company, nor any person who owned of record or was known to own
beneficially more than 5% of the Company's outstanding shares of its
Common Stock, nor any associate or affiliate of such persons or companies,

has any material interest, direct or indirect, in any transaction that has occurred during the past fiscal year, or in any proposed transaction, which has materially affected or will affect the Company.

With regard to any future related party transaction, we plan to fully disclose any and all related party transactions in the following manner:

- Disclosing such transactions in reports where required;
- Disclosing in any and all filings with the SEC, where required;
- Obtaining disinterested directors consent; and
- Obtaining shareholder consent where required.

22. On June 29, 2021, AMMO submitted its annual report for the fiscal year ended March 31, 2021, on a Form 10-K filed with the SEC (the “2021 Annual Report”). The 2021 Annual Report reported the composition and compensation of the Company’s executive officers and directors, as well as the valuation of the Company’s stock awards made to such individuals. 39. The Amended 2024 Annual Report reported the following regarding certain related transactions which the Company engaged in, in relevant part

Related Party Transactions

Our Related Party Transactions Policy provides guidance for addressing actual or potential conflicts of interests, including those that may arise from transactions and relationships between us and our executive officers or directors. The Audit Committee and Board, as matter of appropriate corporate governance, reviews and approves all such transactions, to the extent required by applicable rules and regulations. Generally, management would present to the Board for approval at the next regularly scheduled Board meeting any related party transactions proposed to be entered into by us. The Audit Committee and Board may approve the transaction if it is deemed to be in the best interests of the Company

The following is a description of each transaction since April 1, 2023 and each currently proposed transaction in which:

- we have been or are to be a participant;
- the amount involved exceeds \$120,000; and
- any related person had or will have a direct or indirect material interest.

During the year ended March 31, 2024, we paid \$410,173 in service fees to two independent contractors, who provided services to the company, which included a \$244,640 payment due upon termination without cause to one of the independent contractors. The two independent contractors were issued 168,581 shares of Common Stock for a total value of \$350,345, which included an issuance of 134,240 shares due upon termination without cause for one of the independent contractors. We issued 25,000 shares in the aggregate to our advisory committee members for service for a total value of \$53,250.

Through our acquisition of Gemini Direct Investments, LLC (“Gemini”), a related party relationship was created through one of our directors, Mr. Steve Urvan, by his ownership of entities that provided services to Gemini. There was \$201,646 included in our Accounts Receivable at March 31, 2024 from entities owned by Mr. Urvan.

1 The Company paid off the balance of a promissory note to Jagemann Stamping
2 Company (“JSC”) during the year ended March 31, 2024. JSC became a
3 shareholder of the Company through the Company’s acquisition of JSC’s
4 brass casing division. The payment made to JSC during fiscal 2024 consisted
5 of \$181,132 in principal and \$2,784 in interest on the note. Additionally, we
6 owed \$150,866 to Jagemann Precision Tooling, a division of JSC, at March
7 31, 2024.

8 40. The above statements identified in ¶¶ 18-39 were materially false and/or
9 misleading, and failed to disclose material adverse facts about the Company’s business,
10 operations, and prospects. Specifically, Defendants failed to disclose to investors: (1) that
11 the company lacked adequate internal controls over financial reporting; (2) that there was a
12 substantial likelihood the Company failed to accurately disclose all executive officers,
13 members of management, and potential related party transactions in fiscal years 2020
14 through 2023; (3) that there was a substantial likelihood the Company failed to properly
15 characterize certain fees paid for investor relations and legal services as reductions of
16 proceeds from capital raises rather than period expenses in fiscal years 2021 and 2022; (4)
17 there was a substantial likelihood the Company failed to appropriately value unrestricted
18 stock awards to officers, directors, employees and others in fiscal years 2020 through 2022;
19 and (5) that, as a result of the foregoing, Defendants’ positive statements about the
20 Company’s business, operations, and prospects were materially misleading and/or lacked a
21 reasonable basis.

22 **Disclosures at the End of the Class Period**

23 41. On September 24, 2024, after the market closed, AMMO announced that its
24 Chief Financial Officer had resigned “at the request of the Board.” Further, the Company
25 disclosed that it is conducting an independent investigation into its “internal control over
26 financial reporting for the fiscal years 2020 through 2023.” Specifically, on that date, the
27 Company filed a form 8-K with the SEC which stated, in relevant part:

28 ***Resignation of Mr. Rob Wiley as Chief Financial Officer***

On September 19, 2024, the Company received a notice of resignation from
its Chief Financial Officer, Rob Wiley, effective September 20, 2024. ***Mr. Wiley resigned upon request by the Board.*** Pursuant to a recommendation by
the Compensation Committee, the Board exercised its discretion to approve a
separation agreement (“Separation Agreement”) for Mr. Wiley. Mr. Wiley

1 signed the Separation Agreement on September 19, 2024. Pursuant to the
2 Separation Agreement, Mr. Wiley will be entitled to separation compensation
3 in the amount of \$406,250.00 paid in equal bi-monthly installments over
4 fifteen calendar months; fifty thousand shares of common stock; a lump sum
5 payment for accrued and unused vacation and paid time off; family health
6 benefits under the Company's employer sponsored plans until September 30,
7 2025; and unreimbursed expenses. Mr. Wiley gave the Company a general
8 liability release, and the Parties agreed to several standard restrictive
9 covenants. Additionally, the Separation Agreement requires Mr. Wiley to
10 provide cooperation and assistance to the Company to facilitate the transfer of
11 duties to his successor.

7 *Independent Investigation*

8 *A Special Committee of the Board of Directors has retained a law firm to*
9 *conduct an independent investigation, focused on fiscal years 2020 through*
10 *2023, including determining whether the Company and its management*
11 *control persons at the time: (i) accurately disclosed all executive officers,*
12 *members of management, and potential related party transactions in fiscal*
13 *years 2020 through 2023; (ii) properly characterized certain fees paid for*
14 *investor relations and legal services as reductions of proceeds from capital*
15 *raises rather than period expenses in fiscal years 2021 and 2022; and (iii)*
16 *appropriately valued unrestricted stock awards to officers, directors,*
17 *employees and others in fiscal years 2020 through 2022. The Company's*
18 *outside auditors have indicated that they are not prepared to rely on*
19 *representations from the Company's management team from the period in*
20 *question until such time that the aforementioned investigation and all*
21 *appropriate remediation, if necessary, is completed. This independent*
22 *investigation is in its early stages, and to ensure the fairness of that process,*
23 *the Company does not plan further comment pending completion of the*
24 *investigation.*

25 42. On this news, the Company's share price fell \$0.08, or 5.26%, to close at \$1.44
26 per share on September 25, 2024, on unusually heavy trading volume.

27 CLASS ACTION ALLEGATIONS

28 43. Plaintiff brings this action as a class action pursuant to Federal Rule of Civil
Procedure 23(a) and (b)(3) on behalf of a class, consisting of all persons and entities that
purchased or otherwise acquired AMMO securities between August 19, 2020 and September
24, 2024, inclusive, and who were damaged thereby (the "Class"). Excluded from the Class
are Defendants, the officers and directors of the Company, at all relevant times, members of
their immediate families and their legal representatives, heirs, successors, or assigns, and
any entity in which Defendants have or had a controlling interest.

44. The members of the Class are so numerous that joinder of all members is
impracticable. Throughout the Class Period, AMMO's shares actively traded on the

1 NASDAQ. While the exact number of Class members is unknown to Plaintiff at this time
2 and can only be ascertained through appropriate discovery, Plaintiff believes that there are
3 at least hundreds or thousands of members in the proposed Class. Millions of AMMO shares
4 were traded publicly during the Class Period on the NASDAQ. Record owners and other
5 members of the Class may be identified from records maintained by AMMO or its transfer
6 agent and may be notified of the pendency of this action by mail, using the form of notice
7 similar to that customarily used in securities class actions.

8 45. Plaintiff's claims are typical of the claims of the members of the Class as all
9 members of the Class are similarly affected by Defendants' wrongful conduct in violation
10 of federal law that is complained of herein.

11 46. Plaintiff will fairly and adequately protect the interests of the members of the
12 Class and has retained counsel competent and experienced in class and securities litigation.

13 47. Common questions of law and fact exist as to all members of the Class and
14 predominate over any questions solely affecting individual members of the Class. Among
15 the questions of law and fact common to the Class are:

16 (a) whether the federal securities laws were violated by Defendants' acts
17 as alleged herein;

18 (b) whether statements made by Defendants to the investing public during
19 the Class Period omitted and/or misrepresented material facts about the business, operations,
20 and prospects of AMMO; and

21 (c) to what extent the members of the Class have sustained damages and
22 the proper measure of damages.

23 48. A class action is superior to all other available methods for the fair and
24 efficient adjudication of this controversy since joinder of all members is impracticable.
25 Furthermore, as the damages suffered by individual Class members may be relatively small,
26 the expense and burden of individual litigation makes it impossible for members of the Class
27 to individually redress the wrongs done to them. There will be no difficulty in the
28 management of this action as a class action.

1 **UNDISCLOSED ADVERSE FACTS**

2 49. The market for AMMO's securities was open, well-developed and efficient at
3 all relevant times. As a result of these materially false and/or misleading statements, and/or
4 failures to disclose, AMMO's securities traded at artificially inflated prices during the Class
5 Period. Plaintiff and other members of the Class purchased or otherwise acquired AMMO's
6 securities relying upon the integrity of the market price of the Company's securities and
7 market information relating to AMMO, and have been damaged thereby.

8 50. During the Class Period, Defendants materially misled the investing public,
9 thereby inflating the price of AMMO's securities, by publicly issuing false and/or
10 misleading statements and/or omitting to disclose material facts necessary to make
11 Defendants' statements, as set forth herein, not false and/or misleading. The statements and
12 omissions were materially false and/or misleading because they failed to disclose material
13 adverse information and/or misrepresented the truth about AMMO's business, operations,
14 and prospects as alleged herein.

15 51. At all relevant times, the material misrepresentations and omissions
16 particularized in this Complaint directly or proximately caused or were a substantial
17 contributing cause of the damages sustained by Plaintiff and other members of the Class.
18 As described herein, during the Class Period, Defendants made or caused to be made a series
19 of materially false and/or misleading statements about AMMO's financial well-being and
20 prospects. These material misstatements and/or omissions had the cause and effect of
21 creating in the market an unrealistically positive assessment of the Company and its financial
22 well-being and prospects, thus causing the Company's securities to be overvalued and
23 artificially inflated at all relevant times. Defendants' materially false and/or misleading
24 statements during the Class Period resulted in Plaintiff and other members of the Class
25 purchasing the Company's securities at artificially inflated prices, thus causing the damages
26 complained of herein when the truth was revealed.

1 **LOSS CAUSATION**

2 52. Defendants' wrongful conduct, as alleged herein, directly and proximately
3 caused the economic loss suffered by Plaintiff and the Class.

4 53. During the Class Period, Plaintiff and the Class purchased AMMO's securities
5 at artificially inflated prices and were damaged thereby. The price of the Company's
6 securities significantly declined when the misrepresentations made to the market, and/or the
7 information alleged herein to have been concealed from the market, and/or the effects
8 thereof, were revealed, causing investors' losses.

9 **SCIENTER ALLEGATIONS**

10 54. As alleged herein, Defendants acted with scienter since Defendants knew that
11 the public documents and statements issued or disseminated in the name of the Company
12 were materially false and/or misleading; knew that such statements or documents would be
13 issued or disseminated to the investing public; and knowingly and substantially participated
14 or acquiesced in the issuance or dissemination of such statements or documents as primary
15 violations of the federal securities laws. As set forth elsewhere herein in detail, the
16 Individual Defendants, by virtue of their receipt of information reflecting the true facts
17 regarding AMMO, their control over, and/or receipt and/or modification of AMMO's
18 allegedly materially misleading misstatements and/or their associations with the Company
19 which made them privy to confidential proprietary information concerning AMMO,
20 participated in the fraudulent scheme alleged herein.

21 **APPLICABILITY OF PRESUMPTION OF RELIANCE**

22 **(FRAUD-ON-THE-MARKET DOCTRINE)**

23 55. The market for AMMO's securities was open, well-developed and efficient at
24 all relevant times. As a result of the materially false and/or misleading statements and/or
25 failures to disclose, AMMO's securities traded at artificially inflated prices during the Class
26 Period. On June 30, 2021, the Company's share price closed at a Class Period high of \$9.79
27 per share. Plaintiff and other members of the Class purchased or otherwise acquired the
28

1 Company's securities relying upon the integrity of the market price of AMMO's securities
2 and market information relating to AMMO, and have been damaged thereby.

3 56. During the Class Period, the artificial inflation of AMMO's shares was caused
4 by the material misrepresentations and/or omissions particularized in this Complaint causing
5 the damages sustained by Plaintiff and other members of the Class. As described herein,
6 during the Class Period, Defendants made or caused to be made a series of materially false
7 and/or misleading statements about AMMO's business, prospects, and operations. These
8 material misstatements and/or omissions created an unrealistically positive assessment of
9 AMMO and its business, operations, and prospects, thus causing the price of the Company's
10 securities to be artificially inflated at all relevant times, and when disclosed, negatively
11 affected the value of the Company shares. Defendants' materially false and/or misleading
12 statements during the Class Period resulted in Plaintiff and other members of the Class
13 purchasing the Company's securities at such artificially inflated prices, and each of them has
14 been damaged as a result.

15 57. At all relevant times, the market for AMMO's securities was an efficient
16 market for the following reasons, among others:

17 (a) AMMO shares met the requirements for listing, and was listed and
18 actively traded on the NASDAQ, a highly efficient and automated market;

19 (b) As a regulated issuer, AMMO filed periodic public reports with the
20 SEC and/or the NASDAQ;

21 (c) AMMO regularly communicated with public investors via established
22 market communication mechanisms, including through regular dissemination of press
23 releases on the national circuits of major newswire services and through other wide-ranging
24 public disclosures, such as communications with the financial press and other similar
25 reporting services; and/or

26 (d) AMMO was followed by securities analysts employed by brokerage
27 firms who wrote reports about the Company, and these reports were distributed to the sales
28

1 force and certain customers of their respective brokerage firms. Each of these reports was
2 publicly available and entered the public marketplace.

3 58. As a result of the foregoing, the market for AMMO's securities promptly
4 digested current information regarding AMMO from all publicly available sources and
5 reflected such information in AMMO's share price. Under these circumstances, all
6 purchasers of AMMO's securities during the Class Period suffered similar injury through
7 their purchase of AMMO's securities at artificially inflated prices and a presumption of
8 reliance applies.

9 59. A Class-wide presumption of reliance is also appropriate in this action under
10 the Supreme Court's holding in *Affiliated Ute Citizens of Utah v. United States*, 406 U.S.
11 128 (1972), because the Class's claims are, in large part, grounded on Defendants' material
12 misstatements and/or omissions. Because this action involves Defendants' failure to
13 disclose material adverse information regarding the Company's business operations and
14 financial prospects—information that Defendants were obligated to disclose—positive proof
15 of reliance is not a prerequisite to recovery. All that is necessary is that the facts withheld
16 be material in the sense that a reasonable investor might have considered them important in
17 making investment decisions. Given the importance of the Class Period material
18 misstatements and omissions set forth above, that requirement is satisfied here.

19 **NO SAFE HARBOR**

20 60. The statutory safe harbor provided for forward-looking statements under
21 certain circumstances does not apply to any of the allegedly false statements pleaded in this
22 Complaint. The statements alleged to be false and misleading herein all relate to then-
23 existing facts and conditions. In addition, to the extent certain of the statements alleged to
24 be false may be characterized as forward looking, they were not identified as “forward-
25 looking statements” when made and there were no meaningful cautionary statements
26 identifying important factors that could cause actual results to differ materially from those
27 in the purportedly forward-looking statements. In the alternative, to the extent that the
28 statutory safe harbor is determined to apply to any forward-looking statements pleaded

1 herein, Defendants are liable for those false forward-looking statements because at the time
2 each of those forward-looking statements was made, the speaker had actual knowledge that
3 the forward-looking statement was materially false or misleading, and/or the forward-
4 looking statement was authorized or approved by an executive officer of AMMO who knew
5 that the statement was false when made.

6 **FIRST CLAIM**

7 **Violation of Section 10(b) of The Exchange Act and**

8 **Rule 10b-5 Promulgated Thereunder**

9 **Against All Defendants**

10 61. Plaintiff repeats and re-alleges each and every allegation contained above as
11 if fully set forth herein.

12 62. During the Class Period, Defendants carried out a plan, scheme and course of
13 conduct which was intended to and, throughout the Class Period, did: (i) deceive the
14 investing public, including Plaintiff and other Class members, as alleged herein; and (ii)
15 cause Plaintiff and other members of the Class to purchase AMMO's securities at artificially
16 inflated prices. In furtherance of this unlawful scheme, plan and course of conduct,
17 Defendants, and each defendant, took the actions set forth herein.

18 63. Defendants (i) employed devices, schemes, and artifices to defraud; (ii) made
19 untrue statements of material fact and/or omitted to state material facts necessary to make
20 the statements not misleading; and (iii) engaged in acts, practices, and a course of business
21 which operated as a fraud and deceit upon the purchasers of the Company's securities in an
22 effort to maintain artificially high market prices for AMMO's securities in violation of
23 Section 10(b) of the Exchange Act and Rule 10b-5. All Defendants are sued either as primary
24 participants in the wrongful and illegal conduct charged herein or as controlling persons as
25 alleged below.

26 64. Defendants, individually and in concert, directly and indirectly, by the use,
27 means or instrumentalities of interstate commerce and/or of the mails, engaged and
28

1 participated in a continuous course of conduct to conceal adverse material information about
2 AMMO's financial well-being and prospects, as specified herein.

3 65. Defendants employed devices, schemes and artifices to defraud, while in
4 possession of material adverse non-public information and engaged in acts, practices, and a
5 course of conduct as alleged herein in an effort to assure investors of AMMO's value and
6 performance and continued substantial growth, which included the making of, or the
7 participation in the making of, untrue statements of material facts and/or omitting to state
8 material facts necessary in order to make the statements made about AMMO and its business
9 operations and future prospects in light of the circumstances under which they were made,
10 not misleading, as set forth more particularly herein, and engaged in transactions, practices
11 and a course of business which operated as a fraud and deceit upon the purchasers of the
12 Company's securities during the Class Period.

13 66. Each of the Individual Defendants' primary liability and controlling person
14 liability arises from the following facts: (i) the Individual Defendants were high-level
15 executives and/or directors at the Company during the Class Period and members of the
16 Company's management team or had control thereof; (ii) each of these defendants, by virtue
17 of their responsibilities and activities as a senior officer and/or director of the Company, was
18 privy to and participated in the creation, development and reporting of the Company's
19 internal budgets, plans, projections and/or reports; (iii) each of these defendants enjoyed
20 significant personal contact and familiarity with the other defendants and was advised of,
21 and had access to, other members of the Company's management team, internal reports and
22 other data and information about the Company's finances, operations, and sales at all
23 relevant times; and (iv) each of these defendants was aware of the Company's dissemination
24 of information to the investing public which they knew and/or recklessly disregarded was
25 materially false and misleading.

26 67. Defendants had actual knowledge of the misrepresentations and/or omissions
27 of material facts set forth herein, or acted with reckless disregard for the truth in that they
28 failed to ascertain and to disclose such facts, even though such facts were available to them.

1 Such defendants' material misrepresentations and/or omissions were done knowingly or
2 recklessly and for the purpose and effect of concealing AMMO's financial well-being and
3 prospects from the investing public and supporting the artificially inflated price of its
4 securities. As demonstrated by Defendants' overstatements and/or misstatements of the
5 Company's business, operations, financial well-being, and prospects throughout the Class
6 Period, Defendants, if they did not have actual knowledge of the misrepresentations and/or
7 omissions alleged, were reckless in failing to obtain such knowledge by deliberately
8 refraining from taking those steps necessary to discover whether those statements were false
9 or misleading.

10 68. As a result of the dissemination of the materially false and/or misleading
11 information and/or failure to disclose material facts, as set forth above, the market price of
12 AMMO's securities was artificially inflated during the Class Period. In ignorance of the
13 fact that market prices of the Company's securities were artificially inflated, and relying
14 directly or indirectly on the false and misleading statements made by Defendants, or upon
15 the integrity of the market in which the securities trades, and/or in the absence of material
16 adverse information that was known to or recklessly disregarded by Defendants, but not
17 disclosed in public statements by Defendants during the Class Period, Plaintiff and the other
18 members of the Class acquired AMMO's securities during the Class Period at artificially
19 high prices and were damaged thereby.

20 69. At the time of said misrepresentations and/or omissions, Plaintiff and other
21 members of the Class were ignorant of their falsity, and believed them to be true. Had
22 Plaintiff and the other members of the Class and the marketplace known the truth regarding
23 the problems that AMMO was experiencing, which were not disclosed by Defendants,
24 Plaintiff and other members of the Class would not have purchased or otherwise acquired
25 their AMMO securities, or, if they had acquired such securities during the Class Period, they
26 would not have done so at the artificially inflated prices which they paid.

27 70. By virtue of the foregoing, Defendants violated Section 10(b) of the Exchange
28 Act and Rule 10b-5 promulgated thereunder.

1 conduct, Plaintiff and other members of the Class suffered damages in connection with their
2 purchases of the Company's securities during the Class Period.

3 **PRAYER FOR RELIEF**

4 WHEREFORE, Plaintiff prays for relief and judgment, as follows:

5 (a) Determining that this action is a proper class action under Rule 23 of the
6 Federal Rules of Civil Procedure;

7 (b) Awarding compensatory damages in favor of Plaintiff and the other Class
8 members against all defendants, jointly and severally, for all damages sustained as a result
9 of Defendants' wrongdoing, in an amount to be proven at trial, including interest thereon;

10 (c) Awarding Plaintiff and the Class their reasonable costs and expenses incurred
11 in this action, including counsel fees and expert fees; and

12 (d) Such other and further relief as the Court may deem just and proper.

13 **JURY TRIAL DEMANDED**

14 Plaintiff hereby demands a trial by jury.
